School Newsletter–Nov. 1, 19

Dear Parents,

Week of Prayer has been awesome! The theme was “Prayer” and Pastor Diane did an outstanding job leading us to a better understanding of how to spend time in direct communication with our Father. Thank you for your faithfulness!

The **Fall Pictures** were taken and the photographer is planning on a quick turn-around on the negatives. He will be giving us only **one week** to place our orders so we can have them in time for the holidays. You are able to go on line and purchase them that way too.

Parent-teacher conferences are today. They will start at noon. If you forgot to make an appointment, please call the office and set up a time when all of the teachers can be here to meet with you.

Evangelistic series: Tonight’s meetings start at 6:30. If you haven’t been able to come, please come tonight! The series are powerful and God’s time is short. The sermons are based upon biblical scripture and are fascinating to hear! Tomorrow, after the **church service**, there will be a potluck, so bring your favorite dishes and join us. There will also be one **Sabbath evening**.

Please drill your child on their **math facts: adding, subtraction, multiplication** for grades 3-6. Also Please drill them on their MV and spelling words. Spending time reading with your child will have huge payoffs in the end!

Please keep our school in your **prayers**, we seek to follow God and to train our children in His ways.

Nov. 27 at noon we will be getting out for Thanksgiving vacation. Please plan accordingly. No lunch will be served.

Field trip will be Nov. 5th. We are in **need of drivers**. If we don’t have drivers, there will be no field trip! We will be meeting at the Cracker Barrel for breakfast at 8:00 a.m. I will be there at 7:30. Voting is taking place on the 5th. We will be going to the Arabia Steamboat Museum. More info. to follow – it will be an all day trip.

Happy Sabbath,

Marcia

MV: Then God said, 'Let the earth be filled with animals. And let each produce more of its own kind. Let there be tame animals and small crawling animals and wild animals. And let each produce more of its kind. And it happened.
