School Newsletter–Nov. 8, 19

Dear Parents,

Thank you to all of the drivers, Ms. Patty and Ms. Kathy Goddard for helping out with our fieldtrip. The kids saw the affects of sediment and how the mud builds up in the river. They are able to apply this to their science class!

People at Cracker Barrel all commented on how well behaved the students were. Also, the tour guide for the museum said that he was impressed with the quality of students we had. He stated that the questions were well thought out and he really enjoyed our group. Thank you students for being so well behaved!

Fall Pictures were taken and the photographer is planning on a quick turn-around on the negatives. He will be giving us only **one week** to place our orders so we can have them in time for the holidays. Nov. 12 they are due. You are able to go on line and purchase them that way too.

Evangelistic series: Tonight's meetings start at 6:30. If you haven't been able to come, please come tonight! Tomorrow, after the **church service**, there will be a potluck, so bring your favorite dishes and join us. There will also be one **Sabbath evening**.

Please keep our school in your **prayers**, we seek to follow God and to train our children in His ways.

Nov. 27 at noon we will be getting out for Thanksgiving vacation. Please plan accordingly. No lunch will be served.

Please drill your child on their spelling, math facts and MV. Spend 20 min reading with them each day.

I have inserted a blank paper with times tables for zero. Please place this on you refrigerator and drill your child each day. I will send a new number to study each week. 0x3 means: zero groups of 3. Please use 'groups' after the first digit and use the word 'of' instead of times. This helps them to mentally see the picture of multiplication. i.e. 4x3: 4 groups of 3=12 Make it a fun time each day. Use cheerios for numbers and plates for groups4x3= 4 plates with 3 Cheerios on each plate.Just an idea....

Big MV this coming week, please help your child memorize it.

Have an awsome Sabbath and restful weekend.

Marcia

MV: Then God said, 'Let us make human beings in our image and likeness. And let them rule over the fish in the sea and the birds in the sky. Let them rule over the tame animals, over all the earth and over all the small crawling animals on the earth.' So God created human beings in His image. In the image of God he created them. He created them male and female. God looked at everything he had made, and it was very good. Evening passed, and morning came. This was the sixth day. Genesis 1:26,27,31
